## To the Householder

We appreciate you taking the time  
To read this letter.

We would like you to  
understand Neighbourhood Support  
as another form of Crime Prevention.

This is another way of working with  
your neighbours to help  
make your neighbourhood  
a "Safer Place" to live.

Through the use of newsletters, phone  
calls and e-mails, you can be the  
**"Eyes and Ears of the Community"**.

At your first street meeting a  
Community Constable will  
offer advice to the street on  
Crime Prevention solutions.

A street co-ordinator will be  
elected to assist you to establish  
a "phone tree" of street contacts  
which have proved to be very  
successful in any emergency.

Please do not hesitate to contact me  
on the number listed if you require  
any assistance as we work towards  
making your "City a safer place".

Kind Regards  
Neighbourhood Support Waitakere
